

"The End of the Trail"

CLAIM OFFICER  
MADE NO ARREST  
BUT ASKED BAIL

Investigation into charges preferred against Police Officer Arthur B. Palmer, of Wahiawa, and submitted to the Honolulu Civil Service Commissioners yesterday morning, will be carried out by Sheriff Charles Rose. The charges against the police officer were turned over to the sheriff, and his report will be submitted and acted upon at the next meeting of the commissioners Saturday.

Officer Palmer, it is alleged, threatened to arrest J. Salki, a Wahiawa Japanese, for alleged selling of liquor without a license. He also demanded \$25 bail from the Japanese, it is alleged. No arrest was ever made, according to the commissioners, and they claim that Palmer maintains and operates an automobile and is living beyond his means.

SOUTH SEA MAN  
STRUCK BY AUTO

Because they ran down and seriously injured M. I. Bibiki, a South Sea Islander, Lewis Fulz, a colored man, arrested Tuesday night. The injured man has recovered and his condition is not considered serious. Annie Parker was said to be driving the car at the time, and as she has no license to do so, will probably be charged with that offense. The others in the car will probably be charged with abandoning an injured person.

According to the police the car was a rent car, driven by a Japanese. He had taken the party out for a ride, and upon returning to the city, the woman prevailed upon the Japanese to allow her to drive. Approaching Maunakea and King streets, the woman became confused and ran down Bibiki. As he was struck, the occupants of the car fled, the police say, leaving the machine standing in the center of the street. Officer Branco pursued the woman and Fulz, placing them under arrest.

J. S. B. MACKENZIE WILL  
LEAVE FOR FRONT SOON

HILO, Oct. 8.—J. S. B. MacKenzie, better known as "Jim" to many hundreds of people on this island, will do his "bit" with the Canadians in France. "Jim" has thrown up his fine position with the H. C. & S. Co. on Maui where he was the manager of the P. H. store at Kahului and leaves for the front next month. MacKenzie is well-known on this island where his sister, Mrs. Fred Irwin, is a resident. He was employed in several positions in this county before settling down on Maui about five years ago.

As a footballer he was also famous until he suffered an injury to his knee which laid him aside for a long time. However, on Maui, the well-known young man played a lot of tennis and made a name for himself on the courts at Kahului, Pala, Wailuku and Punene.

CHURCH OF EPIPHANY

CONSECRATED SUNDAY

The beautiful Church of the Epiphany on Tenth avenue, Kaimuki, is out of debt and is to be consecrated at 10:30 on Sunday morning next.

The church cost \$5500, and two years ago when it was opened for worship it had a debt of over \$2000. This has been gradually reduced and the last payment was made a few days ago.

It was the desire of the congregation to have the church consecrated before the Rev. Frank B. Eteson left the city, which he expects to do on the next Canadian steamer.

Mr. and Mrs. Eteson have both volunteered for services in France. Mrs. Eteson is a trained nurse and expects to serve in that capacity.
